

contract**furnishings**

capabilities

contract**furnishings** works with any type or size of company to create a unique office environment designed specifically for your needs. With both new and used furniture, extensive inventory, rental options and custom-design capabilities, we can accommodate any office, any style and any budget. Think of us as your office furniture solution company.

from one office to one thousand chairs.

contract**furnishings** works with organizations of all sizes, from small, one-shop businesses to large, multi-site corporations. With 100+ manufacturers represented, we are able to stock a large inventory of new and used furniture in our warehouse for immediate delivery, whenever and wherever you need it. Whether you need one desk or one thousand chairs, you receive the same attentive and personal service.

friendly and reliable service from start to finish.

From consultation to installation, a full team of qualified professionals works closely with you every step of the way. At contract**furnishings**, we want to make sure you're happy with every aspect of your order – from the initial meeting, to the furniture selection, to project completion.

your office. your way.

Whether it's a custom office suite, reception desk, conference room or replacement work surface, contract**furnishings** has the options for your business. With custom manufacturing capabilities that specialize in laminate and wood-veneer casegoods and our own trucks to control distribution, we're able to tailor your order to meet your individual company needs.

we work with tight budgets and tight deadlines.

Good. Better. Best. contract**furnishings'** approach is to fit any budget. You receive the same high-quality service for any purchase or timeline. If your selections are not on hand, we can expedite your order or you can choose from our wide selection of rental or loaner furniture to substitute until your order arrives.

customization. with any order. but not at a price.

contract**furnishings** understands the complexity you face in furnishing your office. Not every office or every space works the same. With space-planning and interior-design experts, we will customize your order to suit your space. We help find the right solution – but at a fraction of the cost.

we only started small.

contract**furnishings** opened its doors more than ten years ago in Denver, Colorado. Today, as a small veteran-owned and SBA HUBZone Certified company, we're one of the region's fastest growing businesses, with a strong Colorado presence and national clients. We're known for high quality, flexibility and exceptional service as we strive every day to meet all of our clients' needs.

from one office to one thousand chairs.
